RE: Case Identifier: CGB-CC-0677

Dear Sir:

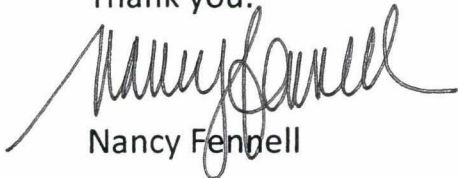

I am interested in continuing to request a closed captioning exemption for programming for my real estate show, Dickson Realty, Extraordinary Properties.

I have had to temporarily suspend my television show on primetime because of the existing cost in the most distressed real estate market in the country. The additional cost of adding closed captions would make ever bringing my television program back on line in this market impossible.

My desire is absolutely to have closed captions but over the next five years, I believe the realities of the real estate business in northern Nevada will not allow me to add any additional cost to my company.

So please I respectfully request a continuing exemption.

Thank you.
